In June 2018 the Goldleaf Australian Income Fund had a positive return of 0.212%. The monthly returns are expected to increase over coming months as secondary income due on deals that have reached the end of their original term are received. Secondary income includes the sale price of equipment after all principal repayments have been made and also the inertia rentals received after the expiry of the contracted term. As of 30 June 2018, GAIF has recorded an accumulated 3 year return of 23.59%. This compares favourably with both the ASX All Ordinaries Accumulation Index 3 year return of 18.04% and the HxDA Other Fixed Income Strategies 3 year accumulated return of 10.95%. No losses were suffered by the portfolio as a result of defaults or arrears during the month.

The GAIF Investment Manager is partnered with Hong Kong based Odyssey Asset Management Ltd (Odyssey) which is a licenced subsidiary of Odyssey Capital Group Ltd, Asia's leading independent Alternative Asset Manager. Under the partnership Odyssey will market GAIF internationally via Odyssey's established distribution channels to grow GAIF AUM substantially to allow GAIF to further develop its investment capabilities whilst also achieving operating cost efficiencies. ABOUT GOLDLEAF AUSTRALIAN INCOME FUND

GAIF will primarily invest in peer to peer loan portfolios and credit approved operating leases and loans secured over essential business use assets located in Australia. Lessees will typically be Australian federal, state or municipal governments, listed and unlisted corporate or long established businesses. Assets leased are generally of an essential business nature and the Fund's investments will, where possible, be further secured by guarantees and charges over leases and related assets granted by the lessees or security issuers.
